PROFILE

Aspiring **MERN Stack Developer** skilled in **MongoDB, Express, React, and Node.js**. Passionate about building responsive, scalable, and high-performance web applications. Focused on user experience, code efficiency, and collaborative development. Committed to continuous learning and staying up-to-date with modern web technologies and industry best practices. Driven by a passion for problem-solving and delivering innovative solutions.

PROFESSIONAL EXPERIENCE

2024/05 – 2024/12

MERN Stack Developer

Luminar Technolab, Calicut

- **Developed dynamic user interfaces with React**, utilizing a component-based architecture to ensure modularity, reusability, and efficient state management, enhancing user engagement and overall application responsiveness.
- **Built and integrated RESTful APIs** in a ME(A)RN stack environment, enabling seamless client-server communication and data exchange, improving application scalability and performance.
- **Collaborated with cross-functional teams**, including designers, backend developers, and project managers, to optimize application functionality and enhance user experience, leading to improved user satisfaction and retention.
- **Utilized Git and GitHub for version control**, managing codebase integrity, implementing branch management, and facilitating streamlined collaboration across team members, ensuring efficient development workflows and code quality.

EDUCATION

2021 – 2024

Bachelor of Computer Application (BCA)

Kannur University

CGPA : 7.5

SKILLS

- | | |
|--------------|-----------|
| • MongoDB | • Express |
| • React | • Node.js |
| • JavaScript | • APIs |
| • Git | • Redux |
| • HTML | • CSS |
| • Bootstrap | • MYSQL |

PROJECTS

2024/09

MEDIA PLAYER

Developed a media player website that allows users to upload, play, and manage video files.

- **Technologies:** React, JavaScript, HTML, Bootstrap

2024/09

COUNTER APP

Created a simple counter application using React that allows users to increment, decrement, and reset a count.

- **Technologies:** React, HTML, Bootstrap
